

## Curtain Template K-3 W4

1. Print as many copies as needed to make sure that all children will get one template.
2. Cut along the dotted line.
3. Provide colorful, patterned, paper for students to make curtains.
4. Use a pencil to draw around the outside of the template on their paper.
5. Cut out the paper and glue on either side of the window.
6. Older students may consider cutting a wider curtain and creating an accordion style to their curtain.
